**Kleenex | Kimberly-Clark™ PROFESSIONAL**

Are **refillable bulk systems** putting your business at risk?

1 in 4 bulk soap dispensers used in public restrooms are prone to external bacterial contamination[1].

Which is better for you?

VS

Bulk Soap

- **Time-consuming** and messy maintenance.
- **High risk of contamination** from refillable bulk systems.
- **Product overuse** and excessive wastage.

Kleenex® Skincare Range

- **6-second cartridge loading** for effortless maintenance.
- **Sealed bottles** reduce cross-contamination risk.
- **Controlled dispensing** improves efficiency.

It's time to rethink hygiene and **Take Control**
